

# CHARTRIDGE LODGE

We have arranged for rooms to be booked at Chartridge Lodge, a training /venue establishment which is 4.5 miles from Missenden Abbey, about a 12 minute drive. We thought it would be more useful to modellers if they were together and can share transport. Tutors stayed at Chartridge a couple of years ago and liked it very much.

You will need to book a room yourself, but please let us know if you do so as it will help us to negotiate in the future. It will also help us to get together all those staying at Chartridge.

The rates they have given us are:

***Our bed and breakfast rate for March:***

***£55 Single***

***£75 Double standard***

***£95 Double superior***

***Our bedroom system is a live system so the delegates will need to book in as soon as they can.***

Although they mention their on-line booking system, we suggest you phone them and mention you are on the Railway Modellers' Weekend at Missenden Abbey.

***\*\*Please use the code MARMWE as this helps us and Chartridge to identify the booking.\*\****

**Chartridge Lodge website:** [chartridgvenues.com/chartridge-lodge/venue/](http://chartridgvenues.com/chartridge-lodge/venue/)

**Chartridge phone number: 01494 837484**

We have not been able to block book rooms at Chartridge so you will need to book promptly to reserve your place. Although they have 57 rooms, many other people like to stay there as well!
