

MISSENDEN ABBEY RAILWAY MODELLERS WEEKEND

Recommended tool and equipment lists

Painting and Lining

- Draughtsman's bow pen (preferably one that works), however Ian can loan one or two.
- A good straight edge.
- A fine brush - Winsor & Newton Series 7, No. 0 recommended
- A 6" square (actual size not critical) piece of sheet metal primed and painted with car aerosol.. The sheet will be used for lining practice so should be dead flat.
- A 'Radius Aid' for drawing curves.
- A small, stable bottle containing white spirit.
- Tinlets of paint to practise lining.
- Strong glasses, magnifying glass or equivalent for close work.
- Absorbent paper and several sheets of A4 copier paper.
- A tray to keep paints on to avoid spillage on the tables.
- Extension lead and lamp.
- AND if you want to, a model to work on!

If you want to spray paint models, you will need a spray booth with fume extractor.
