What to Bring

The items that might come in handy are below:

- Scissors
- Cutting mat
- Swan Morton No 3 handle
- 1 packet 10a blades

By all means bring these items along, but the main thing to bring is the reference material and any research, photographs, maps etc.

As usual, it will pay dividends to correspond with the tutor before hand, thus saving valuable time at the Abbey. Paul will bring along brushes, paints and card etc as well.
